# MILK CHOCOLATE W/ STONEGROUND ESPRESSO

At Dixie, we want to get more products to patients faster, so we're asking for your help with our new Dixie Beta program. We may think something is great, or maybe we aren't sure if it's great enough. But you can help us perfect the textures. Comment on the flavors. Determine exactly what the "final" product will be. Take part in our Dixie Beta program and help us shape the future of cannabis from the inside out.
